

YGH ARCHITECTURE

architecture | interiors | planning | portland, or
find solutions, push the envelope, create beautiful
habitats, be good citizens

We strive to produce architecture of excellence in service to our clients and society.

We combine our specialties with a variety of in-house teams, including programming, cost-estimating, BIM, and sustainability.

We are passionate and committed to creating conscious, healthy and beautiful spaces.

We work in teams and believe that a unified collaborative culture empowers staff when producing their best work. We are **JUST certified** and **PVC-free**.

We like to design together, eat together, have fun together. Join us!

OPEN POSITION : Project Designer VI

We are seeking licensed architects with 12-16 years of professional and design experience to join our team as a Project Designer VI. You will be responsible for initiating design concepts and leading project design development.

Candidates must:

- Be passionate about working collaboratively in teams.
- Define program requirements and establish design parameters based on client requirements
- Create and develop overall design concepts, formulate design presentation strategies, and make presentations.
- Manage project design processes while leading and directing the work of assistant designers and technical staff.
- Manage design team members during design implementation to ensure that clarity and quality of concepts are maintained throughout the design process.
- Monitor project budgets and schedules and manage client interaction and design making.
