

Project Designer VI

Supervisor: Principal

Salary Grade: Project Designer 6

FLSA Status: Exempt

Summary

Yost Grube Hall Architecture is a growing design firm seeking energetic, self-motivated, creative people looking to work in an open, team-based environment. The **Project Designer VI** is responsible for initiating design concepts and leads design development for one or more projects in a manner consistent with YGH standards.

Essential Functions:

- Define program requirements and establish design parameters based on client requirement; work with project architect and project manager
- Create and develop overall design concepts; formulate design presentation strategies and make presentations.
- Manage design process for entire project; lead/direct the work of assistant designers and technical staff.
- Manage design team members during the implementation of design to ensure that clarity and quality of concept are maintained throughout the design process.
- Monitor project budget and schedule related to design team efforts.
- Manage client interaction and decision making related to design.
- May participate in business development activities.

Supervisory Responsibilities:

- The Project Designer will be responsible to lead a team of various people in all phases of project design.

Qualifications:

- A graduate of an accredited Master or Bachelor of Architecture degree program.
- 12-16 years of experience in an architectural firm.
- 5-8 years as a licensed architect.
- LEED AP beneficial.
- Revit, Microsoft Office, InDesign, Illustrator, Photoshop and SketchUp experience preferred.
- Technical experience in development and detailing of higher education facilities and Occupancy Groups A, B, E and M.
- Technical understanding of building systems in Type I, Type II and Type III construction.
- Ability to travel internationally up to 10% beneficial.
- Bilingual beneficial.
- Excellent organizational, time management and interpersonal skills are required.
- Must have excellent writing and communication skills.

Physical Demands:

The physical demands described here are representative of those that must be met by an employee to successfully perform the requirements and responsibilities of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the requirements of this job. While performing duties of this job the employee is regularly required to sit, use hands and fingers, stand, walk, and reach. The employee must occasionally lift or move up to 10 pounds. The employee will be subject to moderate noise such as experienced in a business office with computers, printers and light traffic.

Note:

Nothing in this job description restricts YGH's right to assign or reassign duties and responsibilities to this job at any time. This job description reflects YGH's assignment of essential functions; it does not prescribe or restrict the tasks that may be assigned.

Compensation will be commensurate with experience. Employment will be contingent on successful completion of a comprehensive background screening and E-Verify. Yost Grube Hall Architecture is an equal opportunity employer and does not discriminate against any employee or applicant on the basis of race, sex, color, disability, national origin, religion, creed, age, marital status, change in marital status, sexual preference, citizenship or authorized alien status, veteran or disabled veteran status or Vietnam veteran status or any other classifications protected by law.

Job will be closed on: Friday, March 31, 2017 at 5:00pm

Applicants must specify Project Designer VI in the subject line of their submission
